

GPS: Economic Development & Urban/Government Transformation | Analyst

What impact will you make?

Every day at Deloitte, your contribution will make an impact that matters while you thrive in a culture of inclusion, collaboration and high performance. As the undisputed leader in professional services, Deloitte in India is positioned to become the largest advisory firm in India.

At Deloitte, you will find opportunities that are unmatched to realize your full potential and succeed.

The Team - Economic Development and Urban / Government Transformation (EDUT)

In today's world economic development and enhancing liveability requires coordinated efforts from Government, Private Sector and Citizens. This requires formulating effective strategies, policies and improving regulatory environment.

- Deloitte EDUT practice is assisting multiple clients including donor/bilateral organisations, Federal, State and City Governments, development agencies as well as private sector organisations on the following aspects
- Design and implement large government transformation initiatives – impacting citizen, businesses and society; ensuring sustainability & inclusion
- Formulate strategies, policies and guidelines for fostering economic development and improving quality of life
- Leverage ICT for improving government service delivery and promoting investments

Deloitte's EDUT consulting practice is consistently ranked #1 or #2 in the industry, achieving regular double-digit growth in targeted capability areas.

The practice comprises practitioners from diverse areas such as finance, strategy, analytics and digital, planning, social and economic development, and business restructuring.

Deloitte invests in outstanding people of diverse talents and backgrounds and empowers them. And we are looking for people who

- are keen to make an impactful impact to the society and environment.
- are quick learners with the willingness to work on complex challenges and the changing future of cities, economic development, urban and government transformation.

GPS: Economic Development & Urban/Government Transformation | Analyst

- Enjoy leveraging research, analytics and industry insights to create value for clients.

Urban/Government Transformation | Analyst

- Have an analytical mindset.

Prime Responsibilities

The primary role of an Analyst is to make immediate, direct contributions to enhancing our clients' competitive position and performance in ways that are distinctive, innovative, and sustainable.

You will work in teams led by partners with colleagues and clientele from a wide variety of industries to develop innovative operating solutions by bringing in a broad perspective. As part of these engagements, you will develop a deep understanding of client issues, work in teams to build robust and executable solutions and articulate effectively to the client stakeholders.

In cross-border engagements, you will also have the opportunity to work with our practitioners from our practices from across the world. These provide a strong platform for you to expand your own knowledge and skills while helping our clients to achieve competitive success

You are expected to work in a fast paced environment while we provide personalized training programs to prepare you for the role in attractive conditions and bright career prospects aligned to your experience.

Skills

Analysts will be on client-facing projects and ensure the deliverables meet client expectations. They are required to effectively engage with managers at Deloitte and client counterparts in discussions relating to the project delivery and provide new perspectives /insights. Some of the key skills we look for include:

Core Skills

- A **strong analytical mindset**, with an affinity towards consulting especially **problem solving** and conflict resolution, and in thinking through large & complex exercises
- Comfortable with **quantitative analysis**. Skills in qualitative and financial/ economic analysis and familiarity with popular statistical analytical tools shall be a plus
- Excellent **academic credentials** for both undergraduate and graduate coursework

Soft Skills

- Outstanding **interpersonal and communication skills**, both written and verbal
- Willingness to take initiative and learn independently; an **out-of-the-box thinker** and a fast learner who can pick up a new sector, an industry or a concept very quickly
- Leadership qualities, good executive presence, ability to mentor and a team player
- Open to traveling worldwide, interact and **build relationships** with senior & international client stakeholders

Your role as a leader

At Deloitte India, we believe in the importance of leadership at all levels. We expect our people to embrace and live our purpose by challenging themselves to identify issues that are most important for our clients, our people, and for society and make an impact that matters.

- Builds own understanding of our purpose and values; explores opportunities for impact

GPS: Economic Development & Urban/Government Transformation | Analyst

- Understands expectations and demonstrates personal accountability for keeping performance on track
- Actively focuses on developing effective communication and relationship- building skills
- Understands how their daily work contributes to the priorities of the team and the business
- Demonstrates strong commitment to personal learning and development; acts as a brand ambassador to help attract top talent

Urban/Government Transformation | Analyst

How you'll grow

At Deloitte, our professional development plan focuses on helping people at every level of their career to identify and use their strengths to do their best work every day. From entry-level employees to senior leaders, we believe there's always room to learn. We offer opportunities to help build world-class skills in addition to hands-on experience in the global, fast-changing business world. From on-the-job learning experiences to formal development Programs at Deloitte University, our professionals have a variety of opportunities to continue to grow throughout their career. [Explore Deloitte University, The Leadership Centre.](#)

We are delighted to share that, along with the full-time role, you will have the opportunity to begin your journey with us through a voluntary virtual internship from January to June (with stipend). This will be followed by a mandatory 3–6 month in-person internship from July to December, after which you will be onboarded as full-time employees. We believe this phased approach will give you valuable exposure, continuous learning, and a smooth transition into your professional career.

Benefits

At Deloitte, we know that great people make a great organization. We value our people and offer employees a broad range of benefits. [Learn more about what working at Deloitte can mean for you.](#)

Our purpose

Deloitte is led by a purpose: *To make an impact that matters.*

Every day, Deloitte people are making a real impact in the places they live and work. We pride ourselves on doing not only what is good for clients, but also what is good for our people and the communities in which we live and work—always striving to be an organization that is held up as a role model of quality, integrity, and positive change.
