Part 2: Questions 1-3

Time limit: 3 minutes

1. Think of a situation where people around you were unsure, hesitant, or unclear about what to do. How did you engage with them, and what unfolded after that?
2. Describe an instance where some work needed to move forward, even though no clear instruction or authority was given to you. What actions did you take?
3. Recall a moment when someone disagreed with you or resisted what you were suggesting. How did you handle that situation?

Part 3: Questions 4-6

Time limit: 3 minutes

4. When you look at your current work or responsibilities, what do you feel needs to change or evolve over the coming year?

5. How do you usually organise or support work so that it continues steadily even when you are not directly present?

○

6. Share an experience when you felt stretched or tired but still had to continue for a period of time. What helped you stay with it?
