It is understood that the declared pay-package of Rs 5.4 LPA is only applicable, if the candidate is finally offered a full time employment after completion of fellowship.

We need to know the **stipend/ remuneration per month to be paid during the period of 6 months fellowship**. This information is mandatory for notifying the job profile to the students of target group

Dear Prasun,

The offered CTC is an annual package for one year, while the fellowship duration is for six months, which will serve as a probation period. Post confirmation, the salary will remain unchanged; however, additional benefits will be applicable.

The annual CTC of ₹5,40,000 is structured as follows:

- ₹40,000 per month as fixed salary, inclusive of PF and other standard deductions
- ₹5,000 per month as local travel reimbursement

**Key Result Areas (KRAs):**

1. Capacity building of Micro Enterprise Group across 10 value chains within one block, in collaboration with Village advisory group.
2. Strengthening the capacity of Village advisory group to support Micro Enterprise Group in areas such as quality, efficiency, packaging, marketing & promotion, input support, and market linkages.
3. Supporting Micro Enterprise Group in developing Specialized Micro Enterprise Group in at least one value chain
4. Enabling Producers to connect with Micro Enterprise Group and Specialized Micro Enterprise Group with a special focus on inclusion of the 4th quartile
5. Mobilizing local and urban volunteers through Village advisory group for engagement in Micro Enterprise development and support initiatives; driving participation in Happiness Café-led Village advisory group and CBS as a reporting mechanism

Please feel free to reach out for any further clarification.

**Subject:** Re: Campus Recruitment

Dear Prasun,

Greetings from Drishtee!

We are pleased to introduce an exciting career opportunity for your talented and aspiring students and express our interest in participating in your campus placement process.

Drishtee is a pioneer in the rural development sector with over two decades of experience. We work closely with farming families and rural entrepreneurs to build sustainable livelihoods and strengthen rural economies through innovative and inclusive development models.

Please find attached a brief presentation highlighting our organisational background and placement opportunity.

### **Why Drishtee – A Preferred Choice for Aspiring Changemakers?**

Drishtee operates across **7000+ villages in India** through a multi-vertical, franchisee-based model generating annual revenues of over **\$4 million**.

We collaborate with leading organisations such as **NSDC, Godrej, Nestlé**, and several other partners.

Our work focuses on **entrepreneurship, value creation, and sustainable rural development**, guided by our core framework of **Swavlamban (Self-Reliance)**.

### **About the Opportunity**

We are offering a **6-month Fellowship Programme**, with the opportunity for Fellows to be absorbed into **full-time roles upon successful completion**.

The role focuses on **building and scaling rural micro-enterprises** while enabling sustainable economic opportunities for rural communities. Fellows will gain hands-on exposure in:

- Building and supporting **rural start-ups and micro-enterprises**
- **Scaling rural businesses** through market access and operational support
- **Product development and quality improvement** for rural products
- **Strengthening rural supply chains** and connecting producers to markets
- Creating **successful business stories and impact storytelling**
- Building strong **rural networks across supply chain and banking ecosystems**
- Enabling rural entrepreneurs to develop **market-ready products and services**

This immersive experience provides an excellent foundation for students interested in **entrepreneurship, business development, rural markets, and the social impact sector**.

Following the fellowship, based on performance evaluation, candidates may be considered for **full-time employment with Drishtee**.

### **Fellowship Details**

**CTC Offered:** ₹5,40,000 per annum (including travel reimbursement, if applicable)

**Domains Open:** Mechanical Engineering, Agricultural Engineering, Finance, Rural Marketing, Architecture, Technology (IT), Mass Communication, Food Processing, and Hotel Management

**Eligibility:** Final-year students or recent graduates from relevant domains

**Location:** Assigned territories at district/block level

### **Next Steps**

We would be happy to conduct a **Pre-Placement Talk (PPT)** to provide interested candidates with a detailed understanding of the opportunity and Drishtee's vision.

Kindly let us know a convenient date and time for scheduling the session.

We look forward to connecting with your esteemed institution and creating opportunities for your students to build meaningful careers while contributing to rural entrepreneurship and national development.
