

DRISHTEE
SUSTAINABLE COMMUNITIES

About Drishtee

Drishtee is a social enterprise enabling rural micro-enterprise development, supply chain linkages, investment, skill development, and banking services across rural India.

Rural Micro-Enterprises

Developing rural micro-enterprises and creating sustainable livelihood opportunities, especially for women in rural India.

Rural Supply Chain Network

Connecting local retailers with wholesalers, promoting products manufactured by rural enterprises alongside essential branded goods.

Investor for Scale

Acting as an investor for rural micro-enterprises looking to scale their operations and grow sustainably.

Skill Development

Delivering skill development programs across India to promote livelihood generation through capacity building.

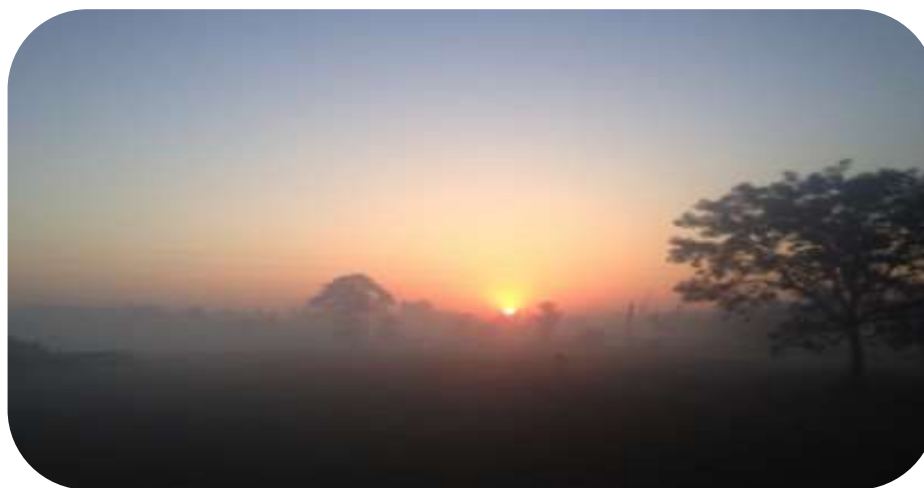

Banking Correspondent

Functioning as a corporate business correspondent for nationalized banks, providing basic banking services via Customer Service Points in rural areas.

Our Vision

Drishtee envisions a world where all communities are empowered to achieve shared prosperity.

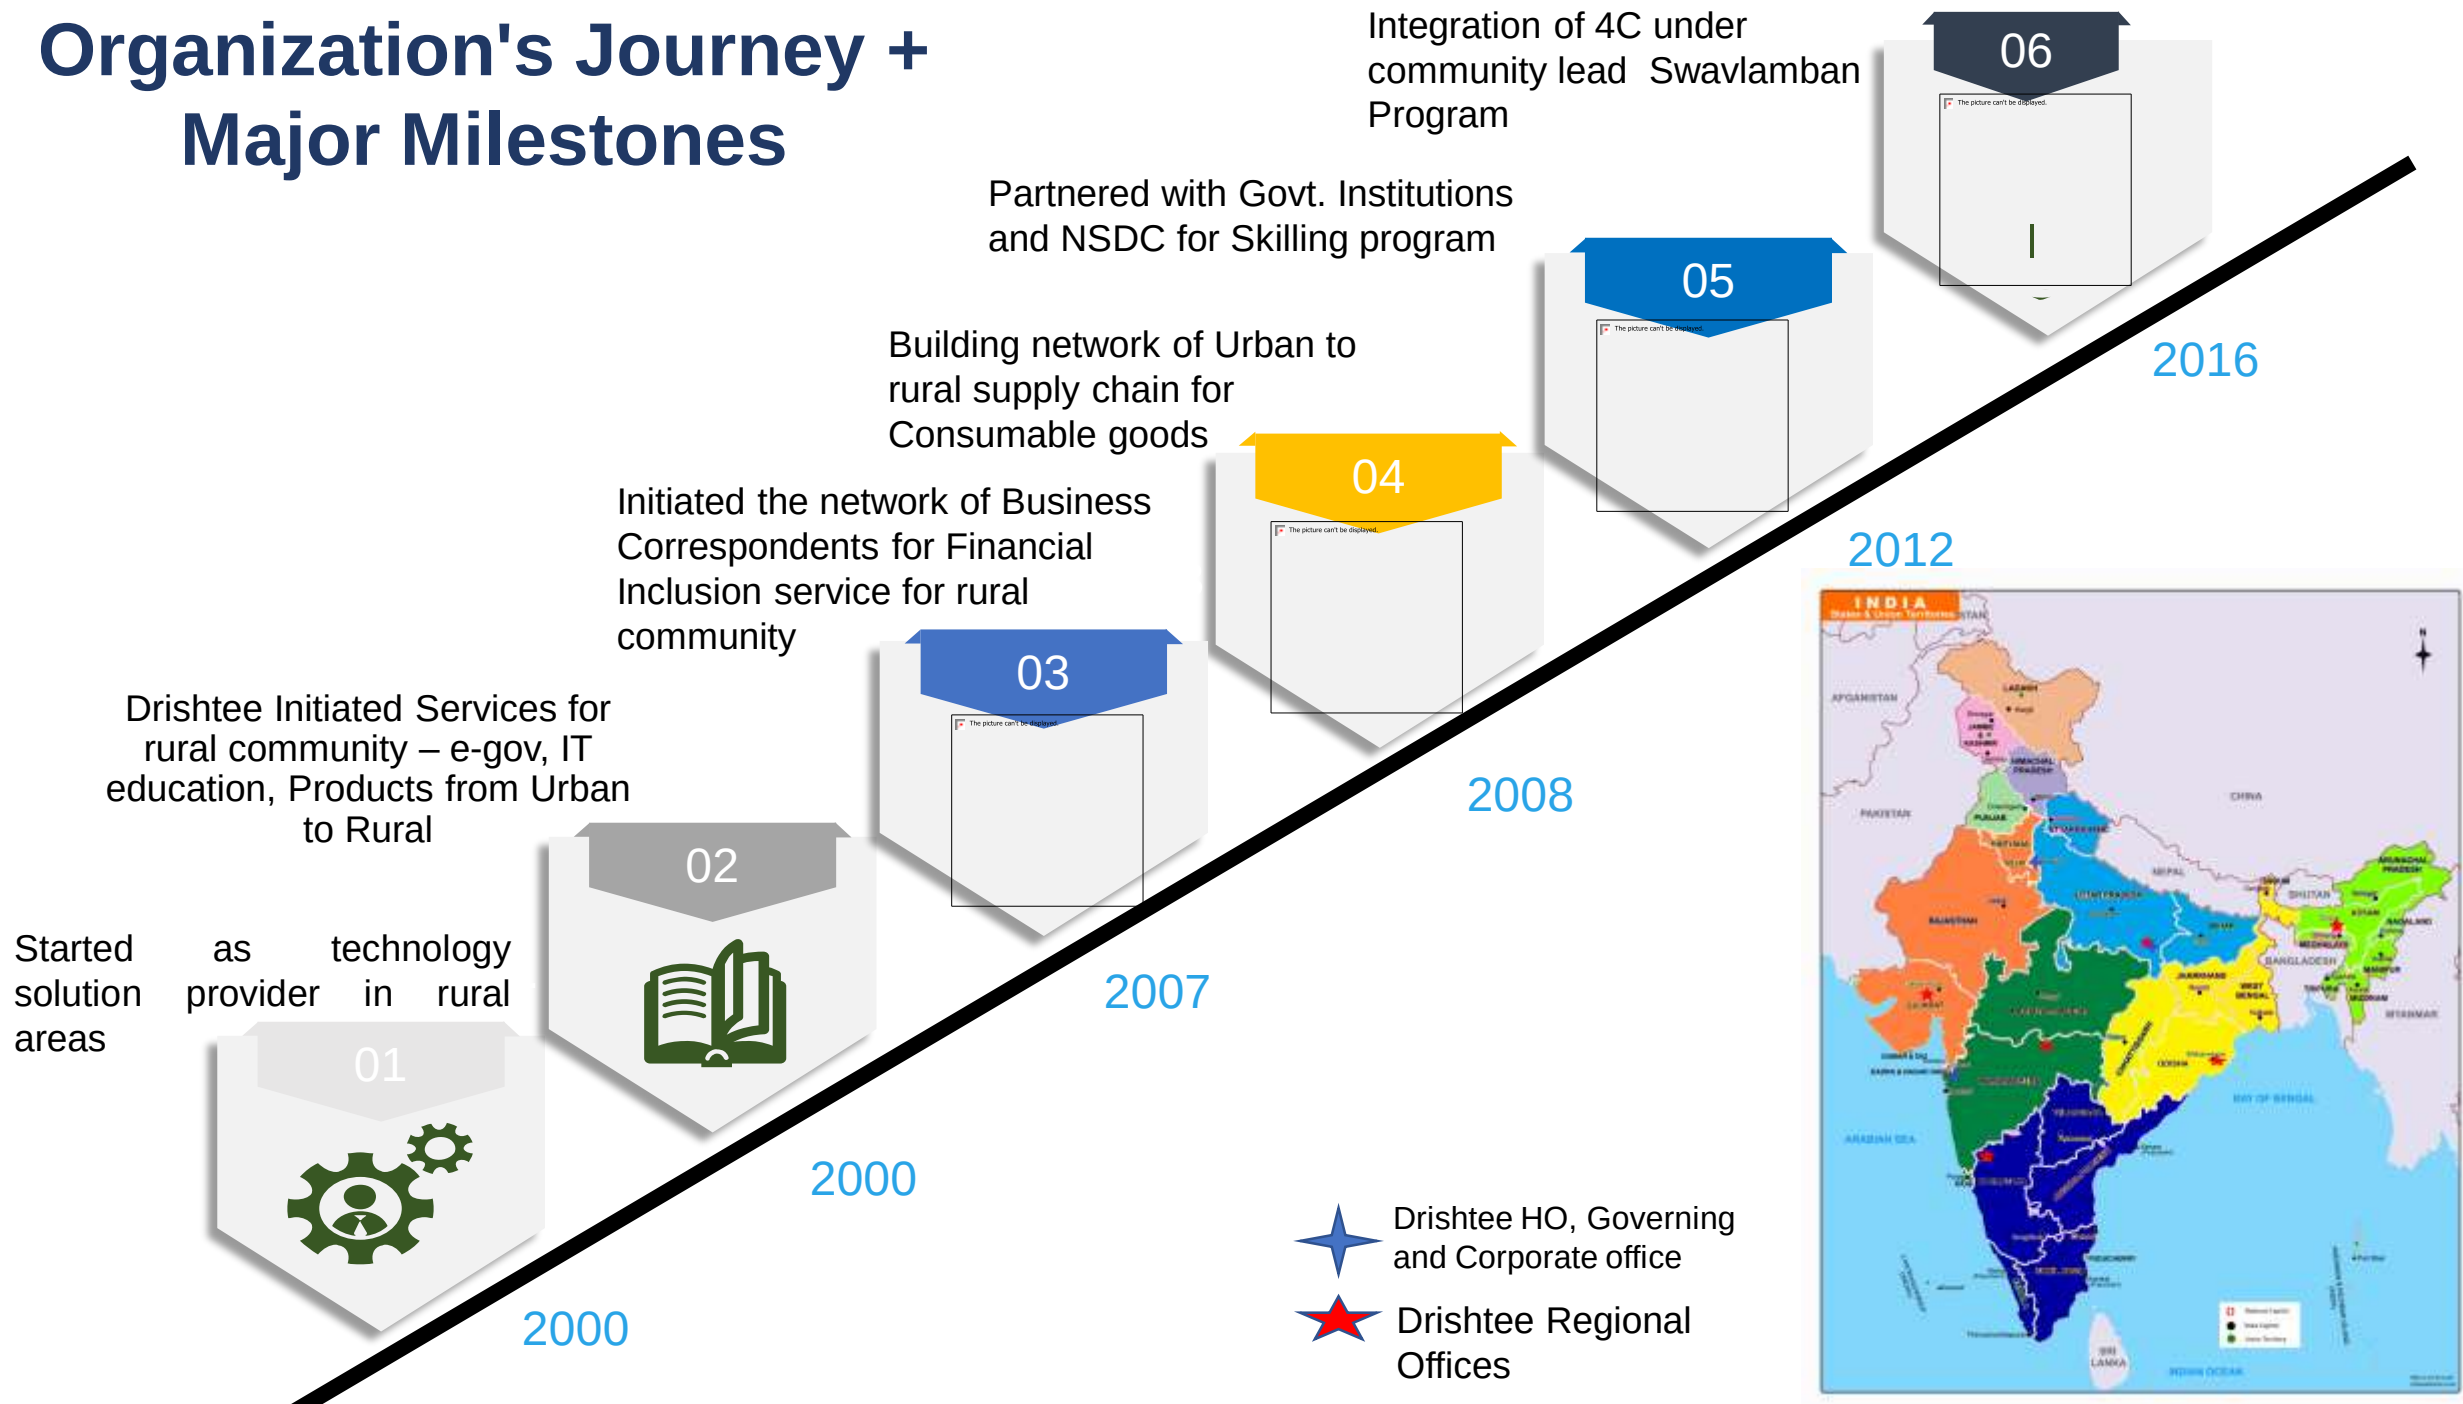

हम परिकल्पना करते हैं एक ऐसे विश्व की जिसमें सभी समुदाय सशक्त हैं साझा उन्नति पाने के लिए ।

Our Mission

“To facilitate development of 10 million livelihoods amongst the community organisations- Vatika in next 10 years enabling shared prosperity through ecosystem support and delivery of business services and demonstrate a model of sustainable living on the planet..

Organization's Journey + Major Milestones

Drishtee's 4C Approach

An Integrated and Comprehensive approach around the 4Cs works as a major strength of Drishtee.

C

Community

Understanding needs, Inspire, Induct & create joint ownership & synergies.

C

Capacity

Build, Create or Enhance capacity relevant to available opportunities.

C

Capital

Organize capital that may be required, particularly for entrepreneurial ventures.

C

Channels

Create linkages (both Backward and Forward) for aggregation & market support.

What Drishtee Does

01

Micro-Enterprise Development

Building rural micro-enterprises led by women, enabling sustainable income generation and economic independence at the grassroots level.

02

Rural Supply Chain

Creating a network that links rural retailers to wholesalers, distributing both rural-manufactured products and essential branded goods.

03

Investment & Scale

Investing in promising rural micro-enterprises and providing the ecosystem support needed to scale operations effectively.

04

Skill Development

Running pan-India capacity building programs in textiles, food processing, agriculture and more to generate livelihoods.

05

Banking Correspondent

Partnering with nationalized banks as a corporate BC to operate Customer Service Points delivering basic banking to rural communities.

Drishtee HR Approach

Key Features

- **Self Managed Teams-** We are a flat structured organization and do not follow any hierarchy within the self managed teams.
- Team development and assessment based on performance
- Personal development based on skill growth:
 - i. Training based on experiential learning
 - ii. Focus on continuous skill development
 - iii. Competency growth

Our Core Values

Honesty (इमानदार)

We are honest in our daily life and dealings.

Righteousness (धर्म)

We follow the path of Dharma; our actions are always morally right.

Transparency (स्पष्ट)

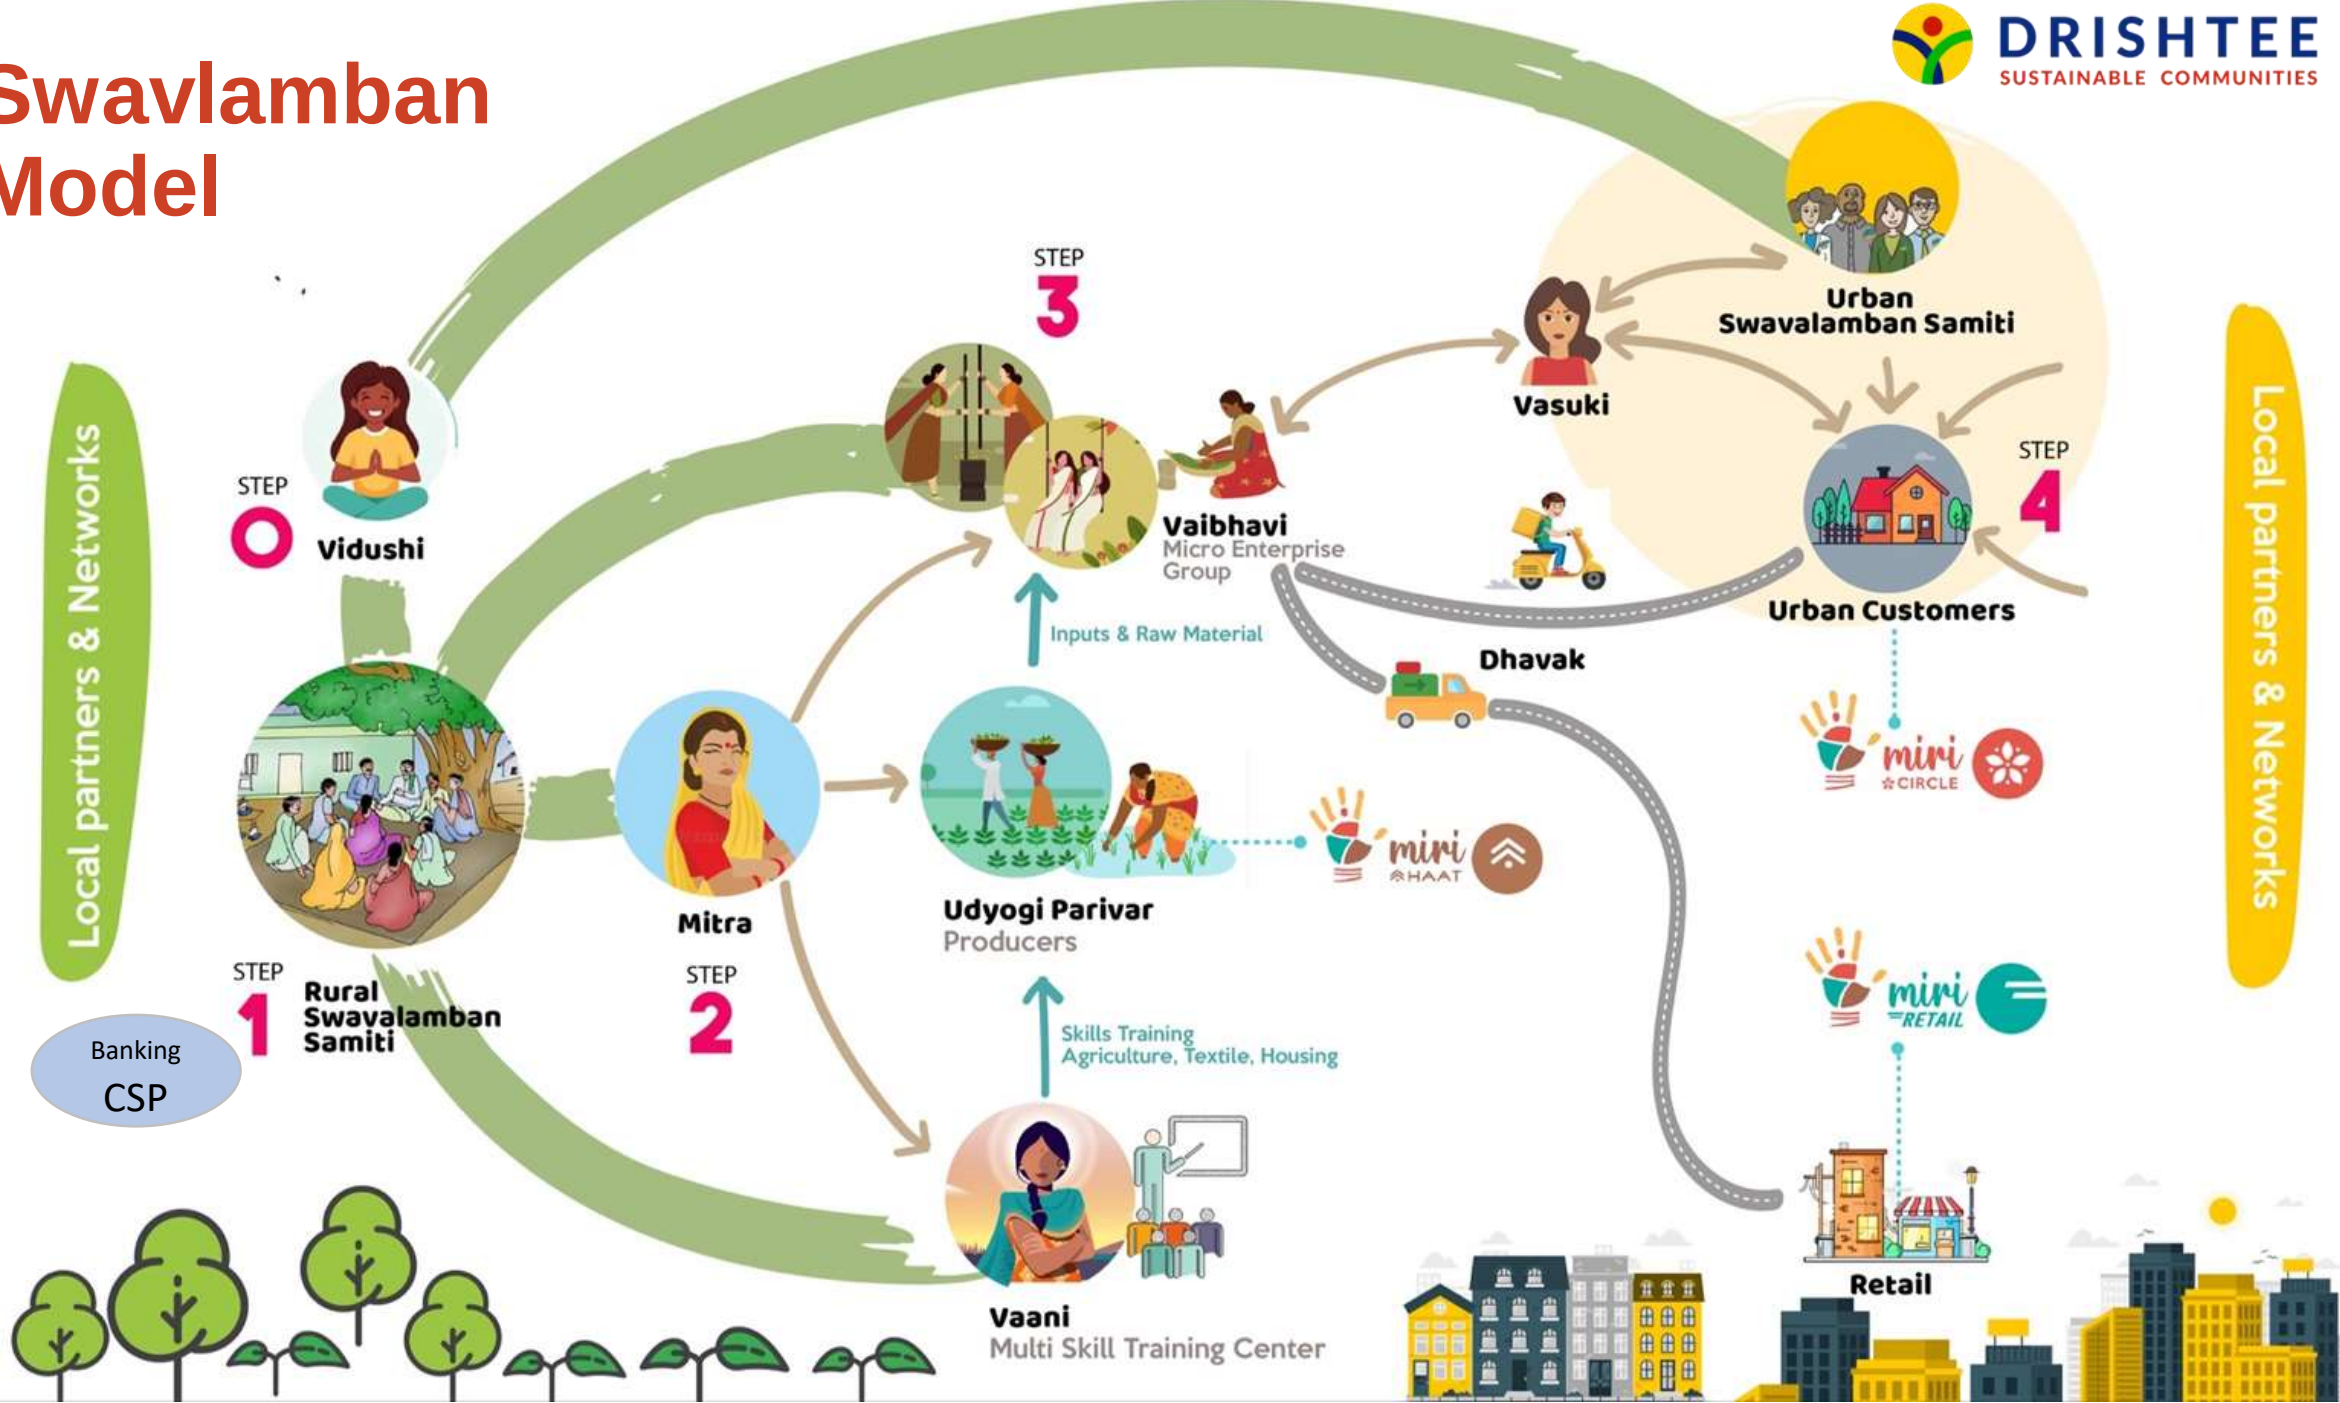

Being truthful, we are transparent in our dealings.

Sustainability (स्थायित्व)

We work towards making our community & organisation sustainable.
