

TCS INE hiring process for the Engineering Batch of 2026

TCS Registration in NextStep portal

- Candidates should register in TCS NextStep and have **CT/DT Ref ID. (those who have recent CT/ DT(batch of 2026) ref no. in respect of their highest degree need not to apply again and use their valid, recent reference ID for filling up the Google form**
 - - Students to register in <https://nextstep.tcsapps.com/indiacampus/#/>
 - Click on “Register Now”
 - Choose the category as “IT” using personal e-mail ID only.
 - Fill up the details to get a Reference ID.
 - Application form can be filled later once the test results are declared.
- The job location will be confirmed at the time of joining basis business requirements.
- Students must specify ‘**3 distinct preferred City, State**’ choices for the test process.
- The form also captures Date of Birth, Gender, and Mobile Number – these details are captured for the purpose of the test process only.

Important note – Kindly be informed that these requirements are NOT for ‘TCS Research & Innovation (CTO/R&I)’. Students should be made aware of this mandatorily.

TCS Google form Link (submission mandatory) for intended applicants:

<https://forms.gle/CYcE1v1hTwXsZD6Q8> latest by **Thursday, 26th February 2026, 10 AM.**

TCS Eligibility Criteria:

1. **Percentage: Minimum aggregate of 60% or 6 CGPA** throughout academics (all marksheets in all semesters-as applicable) including the highest qualification, till the latest semester for which results have been declared at the time of appearing for the selection process. If selected, the offer will be valid only if the degree / provisional degree certificate clearly states that the student has cleared the highest qualification / Engineering in '**FIRST CLASS**' post completion of the course.
2. **Highest Qualification:** TCS INE Hiring is open exclusively for candidates from the INE institutes from the batch of 2026 with the following academic degrees: Bachelor of Technology (B.Tech.) / Bachelor of Engineering (B.E.) / Master of Technology (M.Tech.) / Master of Engineering (M.E.) / Master of Computer Applications (M.C.A.) / Master of Science (M.Sc. / M.S.) in any specialization offered.
3. **Backlogs / Arrears / ATKT: No pending backlog** in the highest qualification will be permitted at the time of appearing for the TCS selection process.
4. **Extended Education: No extended education** would be allowed. Candidates must complete the course in the stipulated course duration.

5. **Gap / Break in Education:** It is mandatory to declare gaps in education, if any. Overall academic gap should not exceed 24 months until highest qualification. Relevant documents, as applicable, will be checked for gaps in education.
6. **Course Types:** Only full-time courses will be considered (part-time / correspondence courses will **not** be considered).
7. **Open Schooling:** Candidates who have completed their Secondary and / or Senior Secondary course from NIOS (National Institute of Open Schooling) are also eligible to apply if the graduation and post-graduation (if applicable) courses are done full-time.
8. **Work Experience:** Candidates with prior work experience of up to 2 years are eligible to apply (Applicable only for postgraduate students).
9. **Age:** Candidates should be between 18 to 28 years.

Test Pattern:

The TCS assessment will follow the pattern as mentioned below.

Section	Section 1	Section 2	Section 3	Total Test Duration
Category	Verbal Ability	Advanced Quantitative Aptitude	Advanced Coding	All Sections
Duration (Mins)	20 Mins	30 Mins	70 Mins	120 Mins

Note: All sections are mandatory.

Compensation:

UG	INR 9.09 LPA
PG	INR 11.59 LPA
