

## TCS- NQT – Priority Institutions – 2026 batch

### TCS Eligibility Criteria:

- **Courses & Disciplines:** Students from the **batch of 2026** with mentioned highest qualifications, across all disciplines, departments or streams may apply - Bachelor of Technology (B.Tech.), Bachelor of Engineering (B.E.), Master of Technology (M.Tech.), Master of Engineering (M.E.), Master of Computer Applications (M.C.A), Master of Science (M.Sc. / M.S).
- **Course Types:** Only **Full-Time courses** will be considered (Part Time / Correspondence Courses will not be considered).
- **NIOS:** Students who have completed their Secondary and / or Senior Secondary course from NIOS (**National Institute of Open Schooling**) are also eligible to apply if the other courses are full time
- **Percentage: Minimum aggregate of 60% or 6 CGPA throughout academics (all marksheets in all semesters-as applicable)** including the highest qualification, till the latest semester for which results have been declared at the time of appearing for the selection process.  
If selected, the offer will be valid only if the degree / provisional degree certificate clearly states that the student has cleared the highest qualification / Engineering in '**FIRST CLASS**' post completion of the course within the stipulated duration.
- **Backlogs / Arrears / ATKT:** The student should **not have more than 1 (one)** pending or active backlog / arrear / ATKT at the time of appearing for the TCS Selection process. If selected, no pending backlogs / arrears / ATKT will be permitted at the time of joining TCS. All pending backlogs / arrears / ATKT should be cleared within the course duration stipulated by the University.
- **Gap / Break in Education:** It is mandatory to declare academic gaps, if any, during the period of education. A break in education should not be due to extended education (examinations cleared after the time stipulated by the Board / University). Any break in education **should not exceed 24 months** and is permissible only for valid reasons. Relevant document proof, as applicable, will be checked for gaps in education.
- **Work Experience:** Students with prior work experience of up to two years are eligible to apply for this hiring process (**Applicable only for postgraduate students**).
- **Age:** A student should be **18 to 28 years** of age to participate in the 'TCS NQT for Priority Institutions'.

### Important Points for interested and eligible candidates

1. Only students graduating in the year 2026 are eligible to apply, and this must be clearly indicated in their TCS Application Form.
2. Students **MUST** register and complete the TCS Application Form in the TCS NextStep Portal <<https://nextstep.tcsapps.com/indiacampus/#/>> in 'IT' section and the TCS Reference ID should be provided in the excel sheet **by the institute**
3. All students must ensure that they use their **Personal Email ID to register** in the TCS NextStep Portal and **NOT** Institute Email ID.
4. Email ID **CANNOT** be changed once submitted.
5. The **CT/DT Reference ID should be starting from CT/DT 2023 onwards. Old CT/DT Reference ID will not be accepted** (CT2022, DT2021...etc.)
6. Students should fill the **application form correctly**, verify the details before submitting it and make sure that their status in the TCS NextStep portal is "**Application Received**". Students can check this by visiting the "**Track My Application**" tab in the NextStep portal.
7. Information retrieved from **TCS Application Form** will be considered for the test process.
8. We would not be able to batch students if their 'TCS Application Form' is incomplete.
9. Please do **sanitize** the candidate data and eliminate any ineligible profiles.

Eligible students to complete the TCS application form as per the process given below. Process to complete the TCS application form is outlined below:

- Students to visit <https://nextstep.tcsapps.com/indiacampus/#/>
- Click on “Register Now”.
- Choose the category as “IT”
- Fill up the details to get a Reference ID.
- Proceed to complete the **Application Form**.
- Click on ‘**Apply for Drive**’
- Incase if the candidates have created a Ref ID earlier, please ensure that the application form is completed and the candidates has clicked on the ‘Apply for Drive’ option.

**TCS NQT’ with Integrated Test Pattern:**

| Section                                     | Duration (in minutes) |
|---------------------------------------------|-----------------------|
| <b>Part A - Foundation Section</b>          |                       |
| Numerical Ability                           | 25                    |
| Verbal Ability                              | 25                    |
| Reasoning Ability                           | 25                    |
| <b>Part B - Advanced Section</b>            |                       |
| Advanced Quantitative and Reasoning Ability | 25                    |
| Advanced Coding                             | 90                    |
| <b>Total Duration (in minutes)</b>          | <b>190</b>            |

**Kindly Note:**

- TCS would be doing Eligibility Checks at various stages of the selection process. If a student is found to be ineligible and / or found to have misrepresented any information at any hiring stage – it would lead to the disqualification of the candidature.
- TCS does not send job offers / any hiring related communication from unofficial email IDs like Gmail, Rediff mail, Yahoo Mail, Hotmail etc.
- TCS does not ask candidates to deposit any money at any stage of the recruitment process.
- TCS is not associated with any external agency / company to make offers of employment on its behalf.

The ‘**TCS NQT with Integrated Test Pattern**’ will be conducted in TCS iON centers. The test dates will be communicated soon.

Basis the test performance, students will get shortlisted either for Prime / Digital / Ninja, however, please note that the final offer category (Prime / Digital / Ninja) will be subject to performance in the overall selection process.

| Offer Category | UG      | PG       |
|----------------|---------|----------|
| Prime          | 9.0 LPA | 11.5 LPA |
| Digital        | 7.0 LPA | 7.3 LPA  |
| Ninja          | 3.3 LPA | 3.5 LPA  |
