

# Amazon Work Style Assessment - Quick Notes

The Amazon Work Style Assessment is a personality-style questionnaire that evaluates how your work preferences align with Amazon's Leadership Principles. Answer honestly and consistently. There are no right or wrong answers, but Amazon looks for alignment with their culture.

## Key Leadership Principles to Keep in Mind:

- **Customer Obsession:** Always put the customer first. Think about their needs and long-term trust.
- **Ownership:** Take responsibility beyond your own tasks. Think and act like an owner.
- **Invent and Simplify:** Value innovation and seek simple, scalable solutions.
- **Are Right, A Lot:** Use good judgment and data. Be open to feedback and willing to adjust.
- **Learn and Be Curious:** Always be learning and curious about new ideas.
- **Hire and Develop the Best:** Value talent and help others grow.
- **Insist on the Highest Standards:** Push for quality and never settle for mediocre work.
- **Think Big:** Be bold with ideas and solutions that have long-term impact.
- **Bias for Action:** Prefer action and quick decision-making over waiting.
- **Frugality:** Do more with less. Resourcefulness is valued.
- **Earn Trust:** Be transparent, respectful, and dependable.
- **Dive Deep:** Stay detail-oriented and hands-on when solving problems.
- **Have Backbone; Disagree and Commit:** Speak up respectfully, but commit once a decision is made.
- **Deliver Results:** Focus on delivering outcomes, not just effort.

## Tips for the Work Style Assessment:

- Be consistent in your answers. Contradictions may be flagged.
- Don't try to game the test—Amazon values authenticity.
- When unsure, pick the response that best matches Amazon's principles.
- Answer quickly—your instinctive response is usually right.
- Remember: This test complements your coding assessment, but it must be completed.

*Good luck! Remember, the goal is to show how your natural work style aligns with Amazon's culture.*
